

PRINCE2® Practitioner

PRINCE2® Practitioner is an intensive 2-day training course designed to prepare participants for confirming their knowledge of the PRINCE2® 7th Edition methodology at the Practitioner level. The focus of this course is primarily on understanding how the methodology is applied through exam-based questions.

Participants will also gain insights into how to effectively apply PRINCE2® processes, roles, and techniques to tailor them to the specific needs of their projects. The program includes both theoretical content and time for practicing with sample tests, ensuring thorough preparation for the exam and the achievement of the PRINCE2® Practitioner certification.

To be eligible for the PRINCE2® 7th Edition Practitioner exam, candidates must hold a PRINCE2® Foundation 7th/6th certificate or a PMP® certification.
